

## Shipping Process

If you are interested in having a puppy shipped to you we are happy to do that. Puppies cannot be shipped until they are at least 8 weeks of age. The fee to ship a puppy is \$450.00 (non-refundable). That price includes airline ticket, vet visit, health certificate, airline-approved crate, bedding, and traveling expense. You can contact me by email, phone, or text to start this process.

The first requirement is to pay a \$250.00 deposit (non-refundable), which can be paid from my website or contact me and I can send you a link by email. After deposit is paid puppy will be taken to the vet for a health certificate to fly. Once I have the health certificate I will call United Airlines to schedule a flight. I will then forward all flight information to you by email and collect remaining balance and shipping fees. There is a 4% charge for using PayPal which will be collected with payment. I will then email all information and documents to be signed and returned. We must receive these forms and payment before puppy is shipped.

We are happy you have chosen a puppy to love from TK Kennels and will do everything we can to insure the happiness of our puppies and their new puppy parents!

Love from our home to yours!
