TK Kennels will accept a deposit anytime after the birth of a puppy. Deposits can be made through PayPal and is immediate. Puppy is then reserved for Buyer until time to go to their new homes.

TK Kennels will be responsible for worming puppy and up-to-date immunizations until time of departure. The puppy must be in good health and appearance and be fully weaned and eating on his or her own and at least 7 weeks of age upon departure from TK Kennels. Final payment can be made in cash when picking up puppy. If shipping – puppy must be at least 8 weeks of age. Buyer is responsible for the shipment of puppy for an additional fee. Final payment and shipping costs are collected 3 to 4 days prior to shipping (there is a 4% charge when using PayPal).

TK Kennels gives a reasonable amount of time for buyer to pick up puppy or have them shipped. **If TK Kennels does not hear from Buyer or cannot get in touch with Buyer by the time puppy is 8 weeks old** then Buyer loses all rights to puppy, their deposit is then forfeited, and TK Kennels has the right to keep and resale the puppy.

Deposits are non-refundable. Refunds are granted only when the selected puppy dies in TK Kennel's care.
